ROTARIANS ON CHAMBER BOARD.

Many of our membership, maybe even most, belong to the Reading-North Reading Chamber of Commerce in addition three of our members are on the Board of Directors. President Pete leads the list that includes John Douglass and Tony Trofimow. Newt Spurr's son, Michael is also involved as the treasurer of the Chamber. Rotarians trying to make Reading just a little nice place to work and live.

NEW HOME FOR BRIAN AND JOHN

Brian and John Crosby will be moving their accounting business in the near future to a new home on Haven Street. They are leaving their Main Street address because they had the opportunity to purchase their own building. They actually has been interested in buying their present building but it was sold for more than they felt it was worth and what they had it appraised for. Good luck in you new home. We'll let you know when the move is official.

DON'T FORGET GOVERNOR DONNA

We are back to the old system, which this editor prefers, of having the District Governor visit directly to each club and our turn comes up Monday, November 8th when Donna D'Agastino comes for her review. In pat year's there wou;d be no meeting on that Monday because of Veteran's Day but this year that will change as Veteran's Day will be celebrated on the actual 14th which is a Thursday. Mark your calendar and let's have a good showing.

ENTERTAINMENT BOOKS ARE ON THE SELL!

Put you thinking cap on early this year because we are getting the Entertainment books for 2005 earlier and earlier. They are on sale at our luncheons or on an every day basis at the "Y", Passport Travel, Fabrictown and the Chronicle office. They are still \$20 of which \$5 goes to our club on each sale. President Pete has graciously consented to handle the books this year since Paul Slovin has gone inactive. Any questions see Pete.

LAST GOLF OUTING

We are going to try for one more golf outing possibly to Pine Hills on the South Shore some time later this month. Stick around after today's meeting if interested. Don Washburn will coordinate as usual. Good weather will be the determining factor as to which day.
