## **HOTTEST SELLERS YET!**

Response to our Entertainment '05 books has been at the highest level I can ever remember. At the Chronicle we are already on our second box and I can never remember it being that way in the 20 some years I have been associated with the program. Hopefully it keeps up and we have our biggest year ever. President Pete by the way is doing a great job of making sure the books are out there. A phone call is all he needs to replenish supplies.

## **STONEHAM CLUB PERFECT HOSTS**

We had another terrific Thanksgiving luncheon with the Stoneham Club. The food once again was tremendous and as always the Stoneham Rotarians were gracious and friendly. Certainly the captains from each team represented the squad with humility and thankfulness. Considering Stoneham had such a poor record going into the game, 1-8, they had cause to have their chins hanging. But the youngsters and the coach were nothing but positive. John Fire as a first year coach was very representative of the quality of the RMHS athletics program and it all it was a delightful luncheon. And by the way, in case you hadn't heard, Reading won on Thursday 32-14. Well done Rocktes!

## **MEALS AND MEMBERSHIP PAYMENT DUE**

Treasurer Brian Crosby is looking for your fourth quarter meals check, or cash, and your annual membership dues, if you haven't already paid. The cost is \$120 for meals and \$130 for membership for a total of \$250. You can mail a check to P.O. Box 61 in Reading or to Brian at 670 Main St, Reading. Your meals payment will carry you through the first of the year. Membership is for one full year.

## **ATTENDANCE PRETTY GOOD**

Our October attendance was really good, actually 4th in the district at 86%. We were just behind Wakefield which had 86%. Melrose was tops in the district at 96% Wow! The District governor publishes the percentages for all clubs in her monthly newsletter. Governor Donna is doing a nice job with the newsletter with many interesting tidbits of information.
